THIRD ANNUAL MATTRESS SALE AT ST. JOHN SCHOOL

St. John Families,

Our school is pleased to announce that we will be hosting a one of a kind fundraising event again this year – our **third annual mattress sale** – scheduled for **Sunday, October 8th** in the school gym. This event has been very successful for us in the past and across the country. Locally, in the West Michigan area CFS has raised over \$900,000 and nationally, CFS has raised over \$20,000,000! Help your family and friends save up to 50% off a great quality brand name mattress.

We are very excited about this fundraiser for many reasons:

- The students do not have to sell anything.
- The students do not have to collect any money or be responsible for any product distribution.
- It is a **one day event** that should raise us **several thousand dollars!**
- There is no out of pocket expense to the school.
- The fundraising organization is extremely professional, organized, and handles almost all of the legwork.
- The mattresses are extremely high quality and have outstanding warranties from brand names such as **Simmons** and **Restonic**.
- We also have new products such as adjustable beds and pillows available.
- The mattresses are deeply discounted: **30%-50% below retail stores!**

*****Proceeds go directly to the St. John Elementary School!*****

Our contribution to this event is simply to invite people into our mattress sale!
