Important News: In order to assist with transportation needs, Jackson Public Schools Transportation Department has offered to help provide bus transportation to/from outlying areas. They will provide several pick-up/drop-off “hubs” in different areas depending on interest and need. If you are interested in JPS bus service, it is important that you register by going in person to the JPS Transportation Office at 1401 Brown Street (use the side drive next to Home Depot). Phone calls for registration are not accepted. The office is open from 6:00 am to 5:00 pm Monday through Friday. Registration must be completed by June 30, 2018 (the earlier the better!) as they expect to have their routes established by late July. Your expressed interest and registration of your student(s) will have input on the determination of their routes.

Questions should be directed to Joe Williams, Director of Transportation, at (517) 787-0630.
