

Dear Parents of Preschoolers,

Preschool 3s and 4s/young 5s may be dropped off no earlier than 8:00 for 8:10 start time.

Drop-off and pick-up for three year olds usually runs quite smoothly. Preschool 3s pick-up traffic enters and exits to North Street. Because we have so many students in the Preschool 4/5s classes, your help and patience are essential. Please follow the guidelines below in order to help keep everyone safe

Morning Drop-Off

- 1) **All morning traffic enters from North Street and exits to Leroy Street.**
- 2) Please pull to the right where you will be routed through the staff parking area along the North Street fence to **park** in the traffic lanes facing the east playground. Then **walk your child to the east door security entrance** facing the playground. Parents must sign child in at preschool classroom.

Families with only preschoolers in Mrs. Farley's class may find it easier to park in the circle drive at the south end of the building, and enter via the security entrance at that end. Pick up at may be done the same way for those students.

- 3) Parents of other older students are asked to be sure they are not walking where traffic is moving. They should come up near the building to cross safely to the student waiting area.
- 4) An option for morning parking only is to stay in the traffic lane, pull up past the playground area and park on the paved section to the left of the traffic lane. Carefully walk your child across traffic to the school.
- 5) All morning traffic exits to Leroy.

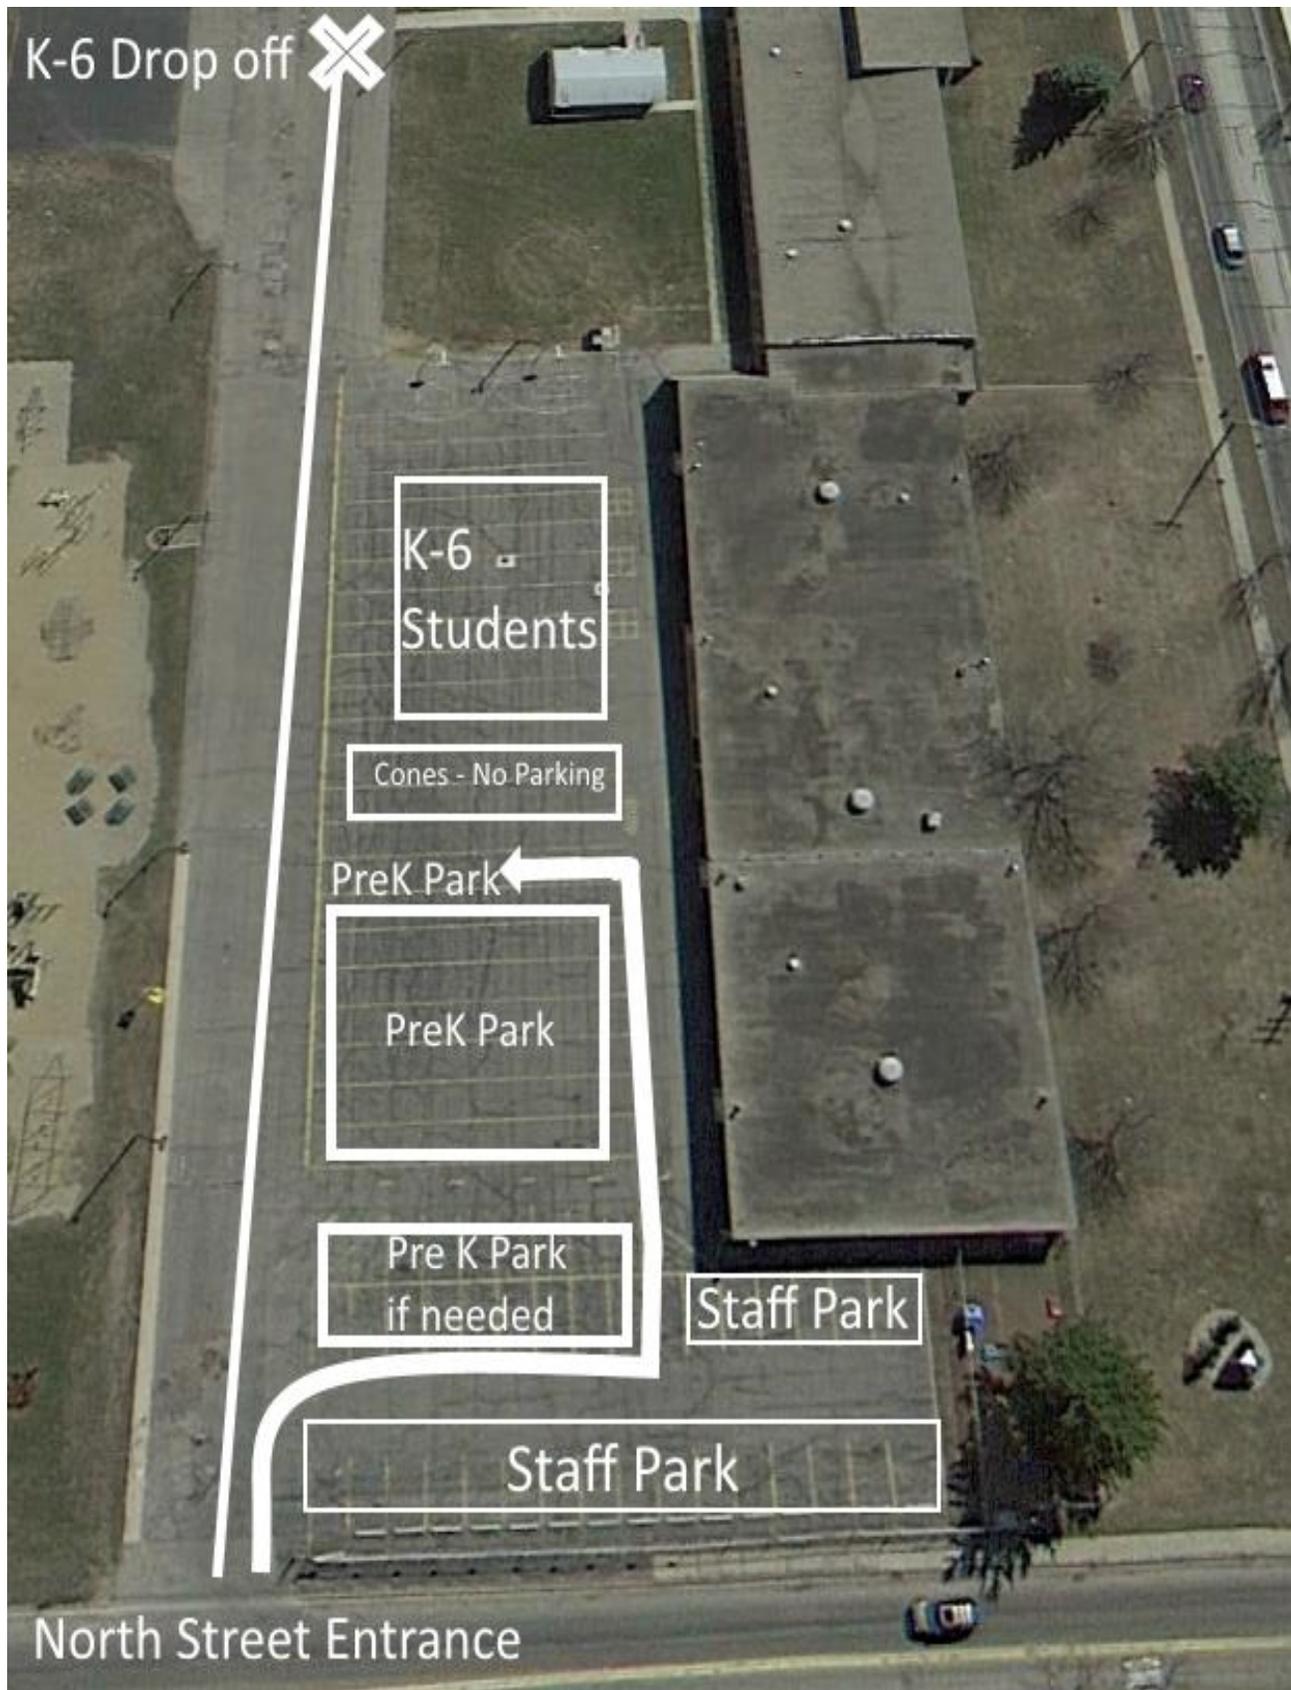

Afternoon Pick-Up

- 1) **All afternoon traffic enters from and exits to North Street.**
- 2) Please pull to the right where you will be routed through the staff parking area along the North Street fence to **park** in the traffic lanes facing the east playground as you did for morning drop-off. Enter **the east door security entrance** facing the playground. Parents must sign child out at preschool classroom.
- 3) There is **NO PARKING** to the left of the traffic lane past the playground at dismissal time due to bus turn-around and parking.
- 4) All afternoon traffic exits back to North Street.

We appreciate your help with working to keep everyone safe by following the procedures for morning drop-off and for afternoon pick-up.

Blessings,

Mrs. Kristi Blair
